

CP PLUS bestowed as the leading Promoter & Manufacturer of electronic security equipment in India by the Ministry of Electronics & Information Technology, GOI

Dec, 2021

CP PLUS, as a brand, is dedicated to continuously offering more and more new and proficient solutions that cater to all the varied security requirements of millions of users across the country. Working to spread the sense of security to every corner of India, CP PLUS is an instigator for introducing new technologies to the Indian market. Being a well-trusted brand with quite a deep understanding and know-how of the security and surveillance needs of the rapidly changing time, CP PLUS stands un-rivaled when it comes to conceptualizing customized and best-suited solutions for security troubles of corporates and public enterprises as well as educational institutes and entire smart cities.

As a recognition for the tremendous work done by the brand in the security and surveillance industry in the country and for securing millions of lives, Aditya Infotech, the parent company of CP PLUS, has been awarded for an outstanding and unparalleled contribution towards Promoting and Manufacturing of electronic security devices, CCTV Cameras in India by Ministry of Electronics and Information Technology - Government of India. With this CP PLUS becomes The First-Ever CCTV manufacturing company to receive this prestigious award in the nation.

CP PLUS wide range of comprehensive solutions and products is monitoring millions of locations across the globe in diverse geographies, from highly sensitive defence locations, government buildings, vital infrastructures of transportation, hotels, hospitals, educational institutions, shopping malls to homes, and even streets with a highly satisfied customer base. Subsequently, CP PLUS has secured more than 200 railway stations, 42 airports, and many police stations, courts, and monuments across the country. Yet, to cover the entire nation under the protective shield of effective surveillance by CP PLUS, we have been continuously expanding both production facilities and the capacity.

CP PLUS has been a pioneer Indian brand with a state-of-the-art manufacturing facility at Tirupati, Andhra Pradesh, which was inaugurated by the then Chief Minister of Andhra Pradesh Shri N. Chandrababu Naidu. In the entire surveillance industry, the CP PLUS manufacturing facility is the largest in India and the 2nd largest facility anywhere in Asia outside of China. In line with the PM's Vision of Atmanirbhar Bharat under the Make-in-India initiative, we have achieved absolute localization and indigenization of our production process and in just a short span of time, we have become able to produce 10L units of surveillance devices every month.

We are determined to further augment our capabilities and become many times larger than the current size to produce 60L units per month and in the coming times, backed by our R&D proficiency, to make our brand more and more Atmanirbhar in order to accomplish the PM's dream and to make India truly self-reliant.
